

I have been signed up for the do-not-call list, and I believe these rules are not stringent enough: The calls are continuing, although at a reduced rate, using among others the following schemes:

- 1) We are responding to your inquiry about ... - no inquiry made
- 2) We are not selling anything just conducting a survey about ...
- 3) We are a charitable organization not covered by the "do-not-call" rules ...

FCC needs todo something about the E-mail spammers also.

Thanks,

Gunnar
